Hand Out
April 2013

Burlington Quilt Guild Block of the Month
Hopping Bunny (size unfinished 8.5", finished 8")

Background – Solid Cream or muslin (no print in background)
Bunny—Two different 1930s Reproduction Prints

Cutting Instructions:
Background fabric: Cut about 9 ½" square (this gives you enough room to use an embroidery hoop). TRIM to 8 ½" square after applying bunny.
Bunny: For main body you need a 6 ¼" square (A)
For tail and one ear pick a contrasting fabric) (B)
(2" by 4" scrap

This pattern is for fusible web, so the **bunny will hop to the left.** If using freezer paper method or needle turn applique method REVERSE the design and add a ¼" seam allowance.

After applying the bunny to the muslin, machine or hand embroider a buttonhole stitch using BLACK THREAD. Finish by making a French knot for the eye.
