Crosstown Quilters BOM Raffle Block
Coffee Cup Block
Due 1st Meeting of March 2024

Your finished block should measure 10-1/2 inches. USE BEIGE/TAN FOR BACKGROUND, NOT WHITE. Coffee cup can be any color.

CUTTING Coffee cup
A - One piece 5 x 6.5 inches (cup)
B - Two pieces 1 x 1.5 inches (handle top/bottom)
C - One piece 1 x 3.5 inches (handle side)

CUTTING Background
D - Two pieces 2.5 x 10.5 (top and bottom border)
E - Two pieces 2.5 x 6.5 (left and right border)
F - One piece 2 x 3.5 (below handle)
G - One piece 1.5 x 2.5 (inside of handle)
H - Two pieces 1 inch square (bottom corners of cup)
I - Two pieces 3/4 inch square (corners of handle)

Tips for success:
Shorten stitch length, especially when sewing the small pieces of the handle and the tiny corners.
Use scant quarter inch seams (1 or 2 thread widths less than 1/4 inch).
When sewing on the tiny corner pieces, sew a thread width to the outside corner of the diagonal line.
Don't bother to trim after sewing on the tiny corner pieces. Just fold and press.
Press all four outside border pieces toward the border.

BASIC CONSTRUCTION
1. Sew the cup handle first. Sew the tiny corner pieces by sewing along diagonal line.
2. Join the handle block to the piece below it to form the handle unit.
3. Sew the tiny corner pieces on the cup.
4. Sew the cup block to the handle unit.
5. Sew the left and right side border pieces.
6. Sew the top and bottom border pieces.
