Disappearing Pinwheel

Fabrics:
White (not off-white) or white on white
Pastel - can be plain or small print

Cut a 10 inch square from each fabric
With right sides together, sew 1/4" from each side.

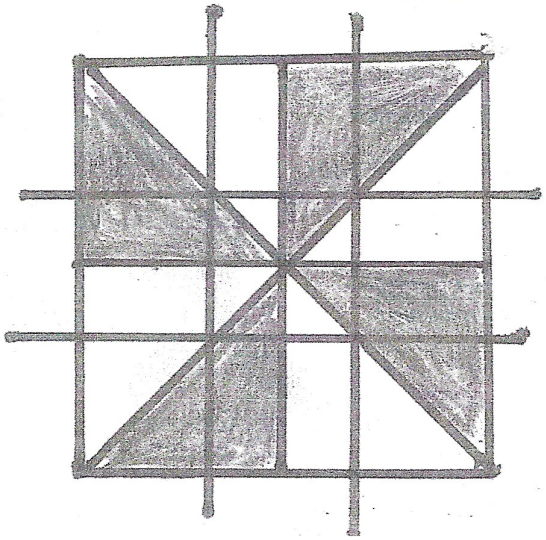

Cut, diagonally in both directions to make four half square triangles.
*Take care not to let the fabric slip as you make these cuts

Assemble into a pinwheel. It should measure 13"

Trim 1/2" from each side to make a 12"block

Cut into nine 4" squares, as shown.
*Take care not to let the fabric slip as you make these cuts

Assemble as shown

Finished block will measure 10 1/2 "
