APPLIQUE ROLL

Materials Needed:

- ✓ 1 piece of cotton fabric 21 ½" X 36" (or length and width of your choice)
- ✓ 1 piece of flannel 21 ½" X 36" (or length and width of your choice)
- ✓ 2—5" X 5" squares
- ✓ 2 yards 7/8" ribbon
- ✓ 20" long tube (or length of your choice)
- ✓ Hot glue gun

Directions:

- ✓ Apply hot glue to one end of tube and cover with a 5" square, Figure 1
- ✓ Repeat for other side
- ✓ On one short side of the fabric (fabrics are right sides together), round the corners (us a plate, plastic cover for size), Figure 2
- ✓ Cut ribbon in half
- ✓ Fold one piece of ribbon in half and pin it 4" from center between the fabrics (the rounded corner side), Figure 3
- ✓ Repeat with other piece of ribbon
- ✓ Stitch around all 4 sides leaving an opening to turn, Figure 4
- ✓ Turn right side out, press, topstitch ¼" all around
- ✓ Apply hot glue to tube, affix straight end of fabric to tube, do this several times until tube is completely covered, Figure 5
- ✓ Optional: Decorate the tube ends
